

GGGS Player Getting Started Guide

This document explains how to get started with your Good Game Sports account.

[Download the app](#) | [Sign in on web](#)

Step 1: Create an account

1. Navigate to the profile tab and press “Sign In”. Choose your preferred sign in method.

2. Complete any remaining fields through the profile creation process to finish setting up your profile.

Step 3: Claim your player profile

1. Find the event that you are participating in from your club's page

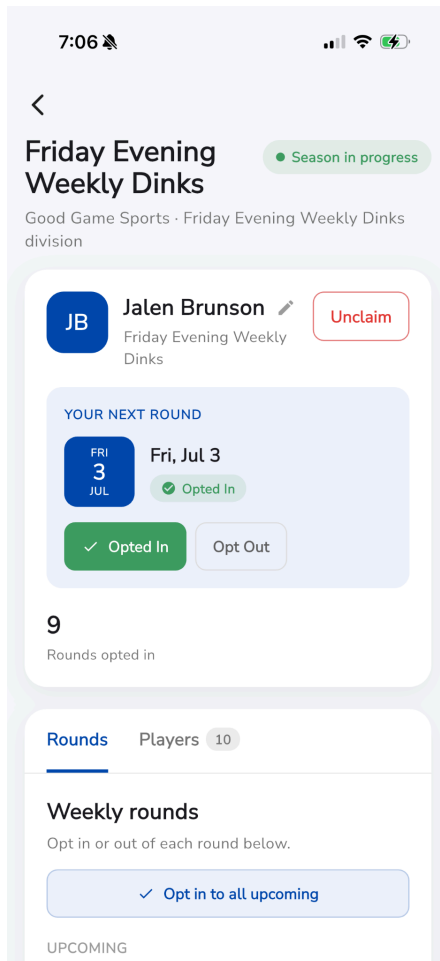

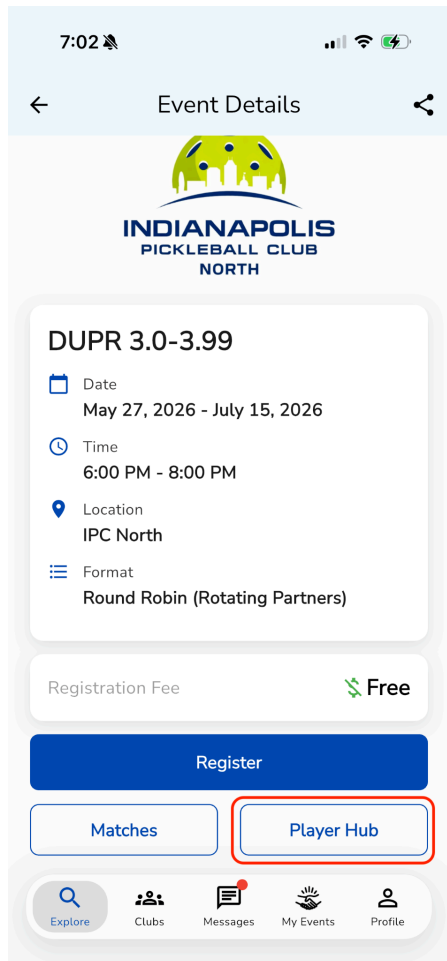

2. Navigate to the “Player Hub”. This will automatically take you to the “Players” tab, where you can find your name and claim your player (*Note: email verification may be required*).

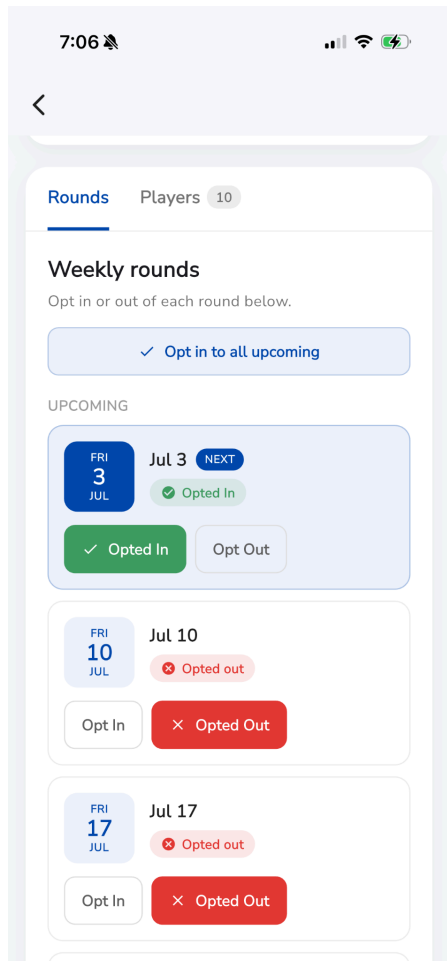

(Optional) Step 4: Opt In for Leagues

You can opt in for upcoming round dates to indicate whether you will be joining that week. Similarly to claiming your profile, navigate to the “Player Hub” → “Rounds” and choose Opt In/Opt Out for each week that you are participating in.

You can always Opt Out later in the week if you change your mind!
